

Dear Parents and Carers,

The Fleckney Primary School Tuck Shop, under the new name of Healthy Heaven, is starting again on Friday 22nd September. As usual it will be in the key stage two pavilion every break time, every week for key stage 2 children.

We are running the tuck shop to reinforce healthier eating within our school and to cut down on sugar and salt levels. Half of the profits we make will go to a chosen charity and the other half will go to our school.

The range of prices for our snacks are between 40-50p. Please try to bring the correct money because we may not be able to give change.

If your child/children have any allergies, please contact Miss Panter for more information.
